

GRAB A GRAND!

All you have to is tell us what song reminds you of growing up in Hartlepool.

If we play your song and reason on the air, you'll go into the draw to win £1000 cash on May 31st. If you are a latecomer to town, then we want to know the song that reminds you of life here in Hartlepool.

The song that reminds me of growing up (or my life) in Hartlepool is:

SONG 1 (artist & title)

SONG 2 (artist & title)

Did you know?

With our Pool FM and Hartlepool FM broadcasts, we became the first professional broadcaster in the town in 2003. Others may have followed after two of our broadcasts, but there's only one first! Hartlepool FM is the town's first and now only internet radio station. Mark Page and the team are now in their 3rd year of bringing commercial radio local news and entertainment to Hartlepool.
